

ACTIVITY 2

React

In this activity, students think about how they can react in different situations and the impact this has on respectful relationships.

Place a series of hula hoops (or similar) on the ground. In each hoop put a response you could have to a situation. Use the list below or make up your own:

Have the class stand around these different responses, then call out a situation from the list below (or make up your own)

- Showing kindness
- Solving a problem by talking to someone
- Working together
- Ignoring the problem
- Trying to make amends
- Being positive

- Breaking your mum's favourite cup
- A new student joins your class
- Someone takes your soccer ball
- Arguing with a friend
- Receiving an inappropriate message online
- At a friend's birthday

Ask students to choose how they would respond.
