

What do you think?

Conduct a debate to discuss one or more of the following topics:

1. Legal drugs can be harmful
2. Sharing medicines is okay
3. Smoking should be banned in all public places
4. The 0.05 blood alcohol concentration should be changed to 0.00
5. Social media has a poor influence on young people

Before the debate begins, students sit in a horseshoe shape. Those who agree with the statement sit on the right-hand side, those who disagree sit on the left-hand side and those who are undecided sit across the top of the horseshoe.

The debate begins with a speaker who agrees with the statement, followed by a speaker who disagrees with the statement and then by a person who has yet to decide.

Students may change positions if they modify their view.
